Barcode labels for you cars are now available

Not 25 minutes after the last email was send, I received a note that the barcode labels have finally arrived. If you have been waiting for one for your car, you can now get one.

1. Just show up at the front gate using the guest lane between 7am and 3pm.
2. You must bring your completed barcode application with you or you will not be issued a barcode. [click here](#) for the fill-able form. You can also pick up a form at the South gatehouse at SR70 in advance.
3. Remain in your vehicle and a barcode will be affixed. New barcodes will not be activated until the following day.
