### Candidate Forum Follow-up

The Candidate Forum was held via Zoom on Monday evening. While over 90 people participated, there was a technical issue that prevented some Rosedale residents from attending and I apologize.

During the forum the six (6) candidates provided information on their background, professional and organizational experience and their motivation for serving on the board. They also responded to questions by the Community Council and those in attendance that will impact the Rosedale community.

Residents are encouraged to contact the candidates to discuss their specific issue or concern via email. Their contact information:
